HISTORICAL MARKER TO BE INSTALLED AND DEDICATED

On Saturday, September 25, at 10 A.M., a "Carbondale" historical marker will be installed in the small plot of land on the City Hall lot between Carbondale City Hall and the Columbia Hose Company.

The text on this historical marker (gold lettering on a blue background) reads as follows:

CARBONDALE

Founded by the Wurts brothers, pioneers in developing anthracite resources of the region, in 1822. Here the first underground mine was opened in June, 1831, near Seventh Ave. Chartered as a city in 1851.
